10. Credentials of the representatives of the Members of the Organization, issued either by the Head of State or Government or by the Minister for Foreign Affairs, and the names of other persons constituting the Members' delegations should reach the Executive Secretary of the Conference if possible not later than one week before the opening of the Conference. All participants, including members of Permanent Missions to UNIDO, are invited to present themselves personally at the Registration Desk and to complete the necessary registration forms as soon as possible on arrival in order to ensure the accurate inclusion of their names in the final list of participants.

13. Registration will be effected only for those delegates whose names have been communicated to the Secretariat in an official letter (see also para. 8 above). In the case of observers, a letter from the organization concerned is sufficient. Any queries relating to registration will be referred to the Office of the Executive Secretary of the Conference.

Badges

14. Each participant will require a badge with a photograph for entry into the ACV during the session. Badges will be issued by the staff at the Registration Desk to those designated participants who are not already in possession of a valid VIC grounds pass. The badges should be worn visibly at all times in the conference areas. Badges issued for the General Conference will also be valid for entering the VIC.

Conference rooms available

15. The following conference rooms are available in the ACV:

Room	*Purpose*

Conference Rooms B, C, N and O	Group meetings

Speakers in the general debate

16. Requests for inscription on that list of speakers should be made to Ms. K. Tashan, PMO Secretariat, VIC, UNIDO, Room D2148, telephone No. 21131/3778 or fax No. 2308444. Once the Conference has started, delegates who wish to speak in the plenary are requested to give their names to the Conference Officer in the Plenary Hall (Conference Room A). The names of speakers will be entered on the list in the order in which the requests are received.

17. Time for short statements of representatives of the United Nations, its agencies, intergovernmental and non-governmental organizations may be accommodated, to the extent possible, after the statements of the delegations within the time-frame allotted for the debate.

Prepared statements

18. To facilitate the work of the interpreters, précis-writers and press officers, speakers are requested to submit in advance and as early as possible, at least 12 copies of their statements to the Conference Officer in the respective meeting rooms, or to the Office of the Chief, Interpretation and Meetings Service.

Simultaneous interpretation

19. Each seat in the meeting rooms will be provided with a simultaneous interpretation receiving set and headphones. *Participants are earnestly requested not to remove the portable receiving sets and headphones from these rooms at the end of a meeting so that they can be checked and, if necessary, adjusted before the next meetings take place.*

20. Speeches made in any of the official languages (Arabic, Chinese, English, French, Russian, Spanish) will be interpreted into the other official languages.

21. A participant may make a speech in a language other than the official languages. In this case, however, the speaker must provide for interpretation into one of the official languages. Interpretation into the other official languages will then be provided by the Secretariat's official interpreters.

Sound recordings

22. Sound recordings will be made of the meetings of the Plenary, the Main Committee and other sessional bodies as appropriate. Delegations wishing to listen to the sound recordings of a particular meeting should address their requests to the Office of the Chief, Interpretation and Meetings Service.

Requests for meetings

23. Within the limits of space and services available, every effort will be made to accommodate groups of delegations wishing to meet. Requests for such meetings should be made to the Office of the Chief, Interpretation and Meetings Service.

Timetable of daily meetings

24. A timetable indicating the time and place of daily meetings will be published in the *Journal* of the Conference and on the television monitors in the ACV and VIC.

Journal

25. The *Journal* of the Conference will be issued daily in English, French and Spanish. It will contain such information as the schedule of meetings for the day, a brief summary of the plenary and main committee meetings held on the previous day, a forecast of meetings for the following day and various announcements. Communications for inclusion in the *Journal* should be sent to its Editor, Ms. J. Seaman.

Documents distribution

26. The main documents of the Conference will be available in Arabic, Chinese, English, French, Russian and Spanish.

27. During the Conference, documents may be collected from the Documents Distribution Counter (outside the Plenary Hall, 2nd floor, ACV) where each delegation will have a pigeon-hole. This will contain, initially:

(a) A set of pre-session documents;

(b) The first issue of the daily *Journal* of the Conference; and

(c) A form on which participants should state the number of copies of documents they will require during the Conference, mentioning the working language(s) required.

28. The Documents Distribution Counter will be open each working day of the session from 8.30 a.m. and will close half an hour after the end of the last meeting of the day.

29. By 23 October 1995, most pre-session documents will be distributed to all States and organizations invited. All participants are urged to bring these documents with them, as subsequent requests for pre-session documents can be met only as long as stocks permit.

30. Delegates are requested to fill in and return, as soon as possible on the first day of the Conference, the form mentioned under subparagraph 27 (c) above concerning documents requirements during the Conference. The Supervisor of the Distribution Unit will be available to assist delegations with arrangements for distributing documents.

31. Official invitations may also be distributed through the Documents Distribution Counter.

Summary records

32. Summary records will be issued, when available, in English during the session, and in the other official languages after the session.

33. Summary records convey the proceedings in a concise, abbreviated form and are not intended to reproduce statements textually. They need not refer specifically to each intervention as in a verbatim record of a meeting.

34. The records are prepared by the Secretariat and, once issued as general distribution documents bearing a mast-head, are subject to correction by delegations. All corrections received will be issued in a consolidated corrigendum after the Conference. Corrections to summary records should not cover points of style or include lengthy additions that would disturb the general equilibrium of the summary records.

35. Corrections to the summary records should be sent, under the signature of the delegation concerned, to the Chief, Translation and Editorial Service, VIC,

Room D0710. Corrections should be indicated in a memorandum and/or be incorporated into the relevant summary record. If no memorandum is sent, the front page of the corrected summary record should bear the signature and title of an authorized official of the delegation concerned.

Reservation of hotel rooms
